

Greater Cincinnati Hazardous Material Control Committee, Inc.  
P.O. Box 141433  
Cincinnati Ohio 45250  
November 18, 2

Thank you for taking the time out of your busy schedule to attend our Greater Cincinnati Hazardous Material Control Committee, Inc meeting at Jim and Jack's on the river. As you know the GCHMCC is a not for profit organization comprising of various companies and public agencies with the common interest of provide assistance and resources to its membership in their efforts to mitigate the impact of pollution releases, and to promote maritime security awareness in and along the Ohio River and its surrounding tributaries which affect the Greater Cincinnati Ohio region.

The GCHMCC would like to take this opportunity to invite your company to join our organization. As a member of the GCHMCC you will be invited to attend monthly meetings that actively seek to educate and train members on current topics of interest to its membership. Members also have the opportunity to work alongside government regulatory agencies to address spill prevention along the Ohio River and its tributaries affecting the Ohio River and maritime security in the Greater Cincinnati region. The GCHMCC also assist members in meeting required drills and exercises by conducting joint drills and exercises. The GCHMCC maintains spill response trailers to enable members to have access to spill response equipment and PPE in the event of a discharge into the environment.

As part of your membership in the GCHMCC, an initial membership fee required along with annual renewal fees are due in April for all class I and II members. If you wish to join the GCHMCC, please fill out the membership application and bring it to our next monthly meeting along with your membership dues payable to GCHMCC, Inc.

Thank you for your cooperation.

Sincerely,

GCHMCC Chairman
