Equipment Trailer Two is Done. Few remaining items required, stakes, orange vest, cones. Mike Doll to put out a list. Trailer shown at the meeting.

Trailer III for PG being started on now.

Nominations for Board, motion to nominate same members brought up and passed.

FSO Training- Training went well for those in attendance. Certificates should be passed out next month.

Old Trailers- Sealed bids were opened and both trailers received bids and sold for \$350 each.

NEWS;

Coast Guard Annual Security Drill. Exercise was presented by Denise Buckingham. Exercise is attached.

Dale Farmer- Ohio EPA May 9th Mill Creek evaluation. Dale and Mike will get together to see about the Co-op sponsoring a Boom Deployment Drill at the Mill Creek later this year.

Barry Web- Rail Car Training class coming up May 23rd. University of Findlay presenting the class.

Barry Lubtz- LAPCD- Ed Frambes working on the Right to know for the communities and first responders. Spoke about the Medical Reserve Group that was present at the Boston Marathon and how they switched gears from helping runners during the marathon to the crisis that unfolded. Will see more of the “volunteer” groups being utilized in events such as this.

Guest Speaker- Judge Robert Ruehlman- Avid supporter of the Ohio River. Shared stories of diving experience in the river. Was introduced to the GCHMCC during last years “River Swim”.
