

Greater Cincinnati Hazardous Materials Control Committee, Inc

MEETING AGENDA

DATE; 05/18/11

Call to order and Roll Call

Safety Minute-

Chocking and Blocking. Proper steps need to be taken while chocking and blocking equipment. Pin wheels on rear axils. Double Blocks up and alternate using larger blocks at bottom and make sure proper material is chosen on blocks.

Reports of Officers

**\*Treasurer's Report**

**\*Chairman's / Committee Reports**

**New Trailers-** Huge thanks goes out to Marathon Covington. They spent the time and resources to set up the new trailer inside. Plans are to duplicate equipment of the existing trailer. Peter Cremer is coordinating efforts for Material and Supplies needed for the new trailer. Please see attached list of equipment still needed. Whatever supplies are not donated, will be bought through the GCHMCC funds.

Other trailers are going to be currently held as is until decisions are made on the potential of the Mill Creek group. Efforts are being extended to reach out and put something together with companies in this area. Anyone needing fliers for additional handouts, please contact Dave Doerger.

Topic of location of new trailer storage was discussed. First trailer is currently held at PC and everyone should have keys. If not please reach out to Mike Doll. Allen Cook has offered the BP Bromley station as a hold point for the second trailer. Their Station is manned 24/7.

**Public Affairs-** Web Page. Minutes are now being posted on the Web Page. If you have forgotten your sign in, please contact Melissa or Dave. We are planning on expanding the membership area. We will be adding pictures from previous events and if you have anything that you could share, please contact me.

**\*New Business/ Public Affairs**

Pay Pal will be set up for CC applications and we will not move forward with CC from 5/3 due to fees and lack of request for use.

Plaque presented to Jeff Gray from the USCG for all the help and assistance over the past years. Good luck to Jeff in his new role.

Updates from USCG- with High waters, everyone needs to check their properties for any breaches to fence lines etc.

Mike Doll has brought up for vote for a future Thurs/ Friday night dinner Cruise on the BB riverboats and if there is interest. If members are interested, please contact me so I can start a

spread sheet that we can present for next month. Please let me know how many members of the GCHMCC and if their significant other has interest.

Topic of use of funds was discussed and Board of GCHMCC is seeking ideas and thoughts on Training programs that would be of interest, Charitable organizations etc. any ideas, please forward to Mike Doll or Mark Pickering.

Next month's Guest speaker will be Captain Russ Neville from District 3.
