Guest Speaker Bio

Greg Powell

Greg has worked for the EPA Emergency Response Program since 1984. He worked as an On-Scene Coordinator in the Southeast Region and has worked for the EPA Environmental Response Team (ERT) since 1989. Greg has responded to numerous hazardous waste sites, hazardous material and oil spills in the United States and Internationally. He coordinates the EPA Inland Oil Spill Training for fast and slow water responses. He is currently stationed at the ERT Erlanger, KY response warehouse. The warehouse holds a cache of response equipment for emergency response and Homeland security purposes.
