

MEETING AGENDA

DATE: 6/20/12

*Treasurer's Report

*Chairman's/Committee reports

WEB-recent lunch meeting was held to discuss upgrades and ideas for the GCHMCC website. Promotion of awards on the website update of current pictures as well as addition of new pictures and show upcoming events.

Trailer# 3 - discussed equipping the new trailer. Motion was made to equip new trailer and was seconded.

Procter & Gamble - They have officially joined. St. Bernard Fire Dept. might be a sight for storage of new Trailer# 3 or somewhere near Mitchell Ave. & I-75 area. P & G might want the new trailer near them.

Mill Creek Membership

Discussion about GCHMCC approaching prospective new members in the Mill Creek area. Also discussed having a boom deployment held in the Mill Creek area in order to promote interest. Questions were raised about adding the Mill Creek geographical area to the GCHMCC Articles of Incorporation.

*New Business

Boom Deployment date yet to be set. Looking at 9/29, 9/22, 10/6 or 10/13

Fire Safety/Extinguisher Training date set for Friday, October 12th, 2012. GCHMCC monthly meeting will also be held on the same date.

FSO Class has been offered for between 10-15 GCHMCC Class I members for a flat rate of \$4,100. Motion was made to have GCHMCC pick up 100% of the cost of the class as long as there are at least 10 members to sign up for the class. Motion was seconded.

Lt. Rick Jones reported that the City is looking at putting in the new "Super Dock". Not sure where it would be located.

Dale Farmer Ohio EPA – There was a fish kill of approximately 5,400 fish recently in the Mill Creek. Recent re-work at the MSD, sewer breaks and rain storms are to blame. Suggested staying out of the river below the Mill Creek.

Presenter - ? Army Corp of Engineers, locks & dams along the Ohio River.
