

Greater Cincinnati Hazardous Materials Control Committee, Inc

MEETING AGENDA

DATE; 5/16/2013

Call to order and Roll Call- Round Robin, introductions.

Reports of Officers

*Treasurer's Report; Monthly review of banking statements.

*Committee Reports

WEB PAGE- Status quo. Will be reviewing content within member section and updating over the holidays. May see a separate email come out for contact information.

Equipment Trailer Two is at BP Bromely Station. This is manned 24/ 7. BP has offered to donate a trailer to the CO-OP. Discussion was mentioned about Mike Doll looking at the trailer and then we can vote next month. This would give us a third trailer for the west side of town by GCAT II.

Old Trailers were paid for and picked up that were sealed Bid last month.

Board elected Members to the seats of President Mike Doll, VP Mark Pickering , Secretary Dave Doerger and Treasurer Jeff Burt.

Certificates handed out for FSO Class, Spill Deployment.

Fire Drill- Vendors will be able to set up table top demonstrations at the drill this Year. Date to be finalized shortly.

NEWS;

Dale Farmer- Mill Creek survey done. Working on plotting spots on the OH and KY side of the river for locations of Emergency response equipment etc.

Bary Web- Good for you, good for me... fill in..

Guest Speaker- Barry Whitton with the Cinti Police Department. Reviewed the Camera Project on the river and in the City. Banks adding 60 Cameras in that area. On the river, currently 17 cameras covering 16 miles. Covers from Anderson Ferry to Schmidt field. If any one notices any criminal activity, recommended to contact the Crime Center at 513-263-8107.

Next Meeting, May 16th, 2013
