Great Cincinnati River Coop
Cincinnati Area River Environment Coop
Ohio River protection intelligence safety security coop
Greater Cincinnati Environmental Controls Committee sws
Greater Cincinnati Harbor & Maritime Co-operative Council Eric Thomas

Greater Cincinnati Harbor & Maritime Concerns Co-operative Eric Thomas

Greater Cincinnati Harbor & Maritime Co-operative Committee Eric Thomas

If we can find something that goes with our current GCHMCC, this would save us additional cost for new WEB address and new checks having to be processed. A \$50 gift card will be given out to the person who comes up with the new name for us to vote on in January.

Agency Reports

EPA- Dales said they have filed for the permanent anchors for the Mill Creek. Exceptions had to be taken and submitted on but waiting for final approval. For a future presentation, the ship the Argo that was sunk in 1937 has been found up in the Erie Lake by Toledo.

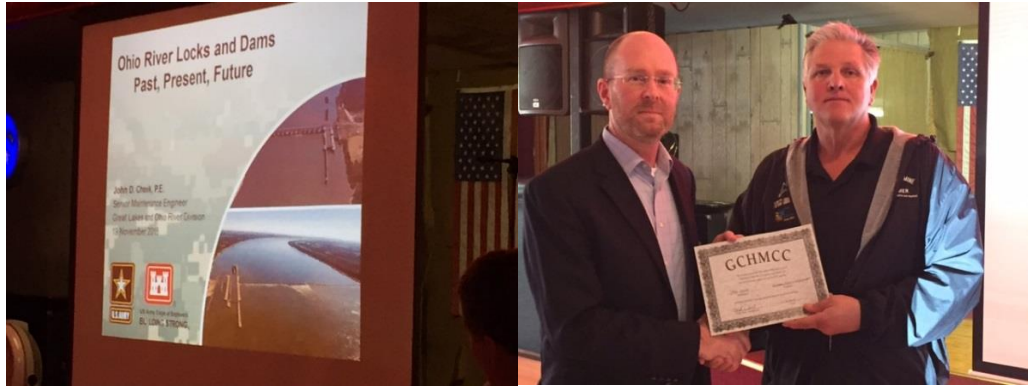

LEPC- Rick Jones, January 13th is their next meeting at the Radcliff which we are invited to attend.

EMA- Status quo-

FBI active shooter class filled up, looking at having second class.

USCG- Status quo

Guest Speaker John Cheek (US Army Corps of Engineers) Reviewed History and developments of the Locks and Dams. You may contact John at John.d.cheek@uaacearmy.mil or 513-684-3029

Next meeting January 21st, 2016. Happy Thanksgiving and Merry Christmas from the Board of the GCHMCC.....
